WANTS MARSHALL HOME PRESERVED

School Board Adopts Resolution Urging That It Be Repaired and Saved.

After approving the recommendations heretofore printed in this paper concerning the award of the contract for school furniture, the City School Board at a special meeting held last night adopted a resolution declaring in favor of preserving the John Marshall house, and requesting the Committee on New High School to consult architects with reference to the best method of putting it in safe condition, with the view of relieving any danger to the new structure, as well as permanently preserving the old one. The resolution, which was offered by Arthur B. Clarke, was adopted without discussion or opposition, thus insuring that the house, which is valuable to the preservation of the historic residences of the late distinguished Chief Justice of the United States Supreme Court.

Following is a copy of the resolution: Whereas, the dwelling house of one of Virginia's most distinguished sons, Chief Justice John Marshall, which is on the High School lot, and its proximity in its present condition to the new John Marshall High School, is a menace to the safety of the new building; and, whereas, the said house is held in veneration and esteem by the community generally and its preservation is earnestly desired;

Therefore, be it resolved, That it is the sense of this board that said building should be preserved, and to this end the Committee on New High School is requested to take into consideration the best mode of rendering the building permanent and safe, said committee being empowered to consult an architect and present such recommendations to this board as the members may deem best.

BATTLE ABBEY SITE

Committee Inspects Property in West End, but Does Not Act.

Members of the subcommittee on Grounds and Buildings, named to recommend a site for the proposed Confederate Battle Abbey, inspected a number of lots in the west end of the city yesterday afternoon, though no official action was taken. It is probable that the subcommittee will hold a meeting at City Hall this afternoon for the purpose of giving further consideration to the subject. Following are the locations visited by the subcommittee: Corner Addison Street and Monument Avenue, corner Allen and Park Avenue, corner Monument Avenue and Third Street, corner Rosemont Road and Monument Avenue.

Besides the members of the subcommittee, who were composed of Messrs. Gunst, Satterfield and Don Lewis, others in the party were Judge George L. Chas. Taylor, Jr., Ellyson, of the executive committee of the Battle Abbey Association; City Engineer Charles E. Bolling, and Robert Whitely, Jr., chairman of the Committee on Grounds and Buildings.

Qualified as Administrator. Charles F. Newby qualified yesterday in the Chancery Court as administrator of the estate of Joseph F. Neuhoff. The estate is small. Mrs. Cora A. Bowers qualified as administratrix of the estate of Frederick B. Bowers.

N. W. Bove qualified as receiver of the estate of Marie A. Hathaway. Mr. Bove also qualified as executor of the estate of James Little Cottrell. The Cottrell estate is valued at \$7,000, one third being left to his sister and the balance to his mother, Mrs. G. L. Anderson.

Attachment Dismissed. Colonel C. P. E. Burgwyn, against whom an attachment had been issued for failure to appear as a witness in a case set for trial in the Law and Equity Court, was present in answer to a rule issued by Judge Ingram yesterday. He explained that a professional appointment of importance had called him to Emporia, and that counsel in the case in which he had been called had consented to his being away. Under the circumstances, the attachment was dismissed.

Of Unsound Mind. Irvin Waich, colored, suspected of being of unsound mind, was removed from the First Police Station to the City Jail last night for safekeeping, the jail being equipped with special cells for persons of this kind. The case will be reported to the Police Court this morning, and a commission of lunacy will probably be ordered.

City Committee to Meet. The City Democratic Committee will meet at Murphy's Hotel next Friday night for the purpose of making final arrangements for the primary to be held on August 5. It is expected that the judges and clerks will then be named, as only one more meeting will be held prior to the date of the election.

Marriage Licenses. Issued yesterday by the clerk of the Hustings Court to Louis Adam Beck and Eessie Lee Baker; John S. Noble and Annie L. Ball; and to Charles Broyle and Carrie Drost.

MAY RAISE AUTO SPEED LIMIT

Car Owners Propose Twelve Miles an Hour Instead of Eight.

Printed copies of a city ordinance regulating the running of automobiles, and other vehicles whose motive power is other than animal, including motor bicycles, over the streets of the city are being mailed by the Police Department to all owners of motor cars in the city, with the formal notice that all car owners should take notice and fully acquaint themselves with its requirements, as after August 15 it will be strictly enforced.

Any resident car owner or tourist who remains in the city as much as forty-eight hours must secure a written permit from the Chief of Police. Before this permit is issued, the chief will examine the vehicle, and shall register the name of the owner, character and capacity of the vehicle, its horsepower and the number assigned.

This number is to be conspicuously displayed both on the front and rear of the car, in four-inch figures, so lighted at night as to be plainly discernible. The speed limit for the entire city is fixed at eight miles an hour. Ample roadway must be left to horse-drawn vehicles, and if necessary the car must come to a full stop to allow them to pass.

It is said that an effort will be made previous to the date set for strict enforcement to have the speed limit raised to twelve miles an hour on other than the congested streets, the Police Committee having already recommended an ordinance raising the speed limit for street cars from eight to twelve miles an hour.

Charged Her With Theft. Magistrate Lee, colored servant girl who has been employed in a number of families in Richmond, was locked up at the Second Police Station last night, having been arrested on a warrant charging her with breaking in and entering in the daytime the dwelling of George F. Taylor, 1308 North Second Street, and stealing therefrom a lot of furniture to the total value of \$25.50. She will be given a hearing in the Police Court this morning.

PASS QUESTION UP TO CITY ATTORNEY

Dairy Concern, Represented by Councilman, Anxious to Be Relieved of Contract.

Appearing before the Committee on Relief of the Poor last night, George E. Wise, a member of the Common Council from Henry Ward, requested that the Richmond Dairy Company (Inc.) be relieved from entering into a bond for compliance with its contract for furnishing milk to the City. During the current year, Mr. Wise was asked in what capacity he came before the committee, his answer being that he is a stockholder and director in the company, as well as its attorney. His request, as the committee, coupled with his reply to the inquiry, suggested two questions, upon neither of which the committee cared to pass without obtaining an opinion from the City Attorney. Mr. Marks offered a resolution which was unanimously adopted, requesting Mr. Pollard to inform the committee first, whether it is necessary to require a bond for the performance of such a contract, and second, whether the official connection of a Councilman with the contracting concern will in any way interfere with the legality of the award.

The amount of the bond required of the successful bidder under the advertisement is considered a nominal one. The opinion of the City Attorney with reference to the questions at issue will be awaited with interest, as it will constrain the law on both points, which may come up again at any time in connection with the awarding of city contracts, where only small amounts are involved.

LAUNDRY PEOPLE URGE INSPECTION

Ask Legislature to Pass Law Turning Searchlight on Chinese Establishments.

FAMILY WASH A PROBLEM

Virginia and West Virginia Association Holds Its First Session Here.

A resolution was adopted yesterday afternoon by the Virginia and West Virginia Laundrymen's Association providing that each member urge his representative to support the passage of a bill at the next session of the General Assembly requiring the State Board of Health to regularly inspect the sanitary condition of all laundries in Virginia.

The laundrymen believe that this will help to prevent the spread of disease, and it is stated that the inspection of Chinese establishments will prove of benefit, as it is pointed out that it is in these places where infection is likely to occur.

At the last session of the Legislature Senator Lesner, of Norfolk, introduced a bill calling for these inspections, but on account of a lack of time it was never taken up. The second session of the convention, which is being held at the Jefferson Hotel, occurred yesterday afternoon, and Norfolk was selected as the next place of meeting, which will be in January, as the members of the association desire to have the question of handling family washing made a main object of organization.

They are of the opinion that they can do this as reasonably as unreliable washerwomen. Until this matter is finally settled semi-annual meetings will be held. This was one of the main objects of the association was organized, and has been one of the most important topics to be discussed at the two meetings held.

There will be two sessions to-day—9 A. M. and 2 P. M. delegates to the annual convention of the National Association of Laundrymen at Chicago in August will be selected at the morning session.

The Virginia and West Virginia delegation will invite the national body to meet in Richmond next year. Business Manager W. T. Dabney, of the Chamber of Commerce, who was present at the first session yesterday, has promised to use his influence in this connection.

Mr. Long, of Norfolk, who was elected president yesterday, acted as toastmaster at the banquet held at the Jefferson last night.

The new officers of the association elected yesterday are: Mr. Long, Norfolk, president; F. L. Knight, Lynchburg, vice-president; M. B. Florsheim, Richmond, secretary; O. L. Roach, Danville, treasurer; and R. L. Lindsay, Farmville, sergeant-at-arms.

AID ROAD FORCE

Negro Newspaper Thief Will Work Highways for Sixty Days.

Hezekiah Jackson, colored, 30 years old, was arrested yesterday by Detective Donald, Jr., along his route on Marshall Street, near Tenth, while delivering copies of Sunday's Times-Dispatch, stating that the carrier left them in porches and doorways. He had taken fourteen when he was caught, and was given a gruff case. The case was clear, as the carrier caught with the goods. Justice Crutchfield made an address from the bench on the value of newspapers, and the work of the Times-Dispatch scouting parties, concluding by adding Hezekiah to the State convict road force for sixty days.

CHARLIE BROWN ARRIVES IN TOWN

Tennessee Cripple Picked Up After Making Good as a Beggar En Route.

"She got mad and told me to hit the big road, and that if I ever came back home again she would knock me in the fire," said fourteen-year-old Charlie Jackson Brown, a cripple from Rodgersville, Tenn., referring to his stepmother. The lad was in the Police Court yesterday morning, arguing with begging on the streets and vagrancy, and was turned over to Rev. James Buchanan, superintendent of the Associated Charities, who will endeavor to have him sent back home. Charlie is a charming boy, and makes a fine living by begging, averaging more than \$5 daily. He now has about \$10. He says he was chased away from his Tennessee home March 27, and since that time has begged his way to and from many cities than most men visit in a lifetime. He apparently is happy and contented with the existence he has been kicking out.

His story is a remarkable one, and the following is the route he pursued from Rodgersville to Richmond: Knoxville, Tenn.; Johnson City, Tenn.; Kingsport, Tenn.; Bristol, Tenn.; Abingdon, Damascus, Roanoke, Lynchburg and Petersburg.

He begged on the streets of all of these cities, making about \$5 a day, until he reached Roanoke, when his business flourished and he began to pick up more than \$10 daily. In most of the cities visited he remained about two weeks, until he landed in Petersburg, where he said he saw all he wanted to in the brief period of two hours.

Charlie considers himself an adept with the typewriter, and amuses himself at the central office of the Associated Charities in writing notes to Dr. Buchanan. Following is a sample of the boy's handiwork:

"Dear Doctor,—How are you to-day? I am well, and hope you are the same. I am a funny boy, and ain't you glad of it? Say, Sugar Pie, I love you, Honey, Darling, Sugar."

"Your Honey Truly Friend," "CHARLIE BROWN."

Dr. Buchanan has taken steps to be in touch with the lad's father, W. S. Brown, of Rodgersville.

Captain Boutwell Here. Captain W. R. Boutwell, of Norfolk, president of the Virginia Police Association, was in Richmond yesterday. Captain Boutwell came to the city on private business, having left for his home last night.

CREMATE BODY; TO BRING ASHES HERE

Whole South Pays Tribute to Daughter of President Jefferson Davis.

FUNERAL SERVICES IN WEST

Urn to Be Placed in Davis Plot in Hollywood, With Memorial Ceremony in Fall.

The body of Mrs. J. Addison Hayes, last surviving daughter of President Jefferson Davis, of the Confederate States, who died at her home in Colorado Springs, Colorado, on Sunday afternoon, was cremated at the Riverside Crematory, in Denver, yesterday afternoon. The cremation was private, and efforts were made to keep the fact a secret.

The remains will eventually be brought to Richmond for interment in the Davis Circle in Hollywood, where President and Mrs. Davis, Miss Winnie and "Little Joe" are buried. According to present plans, as telegraphed from Colorado Springs last night, the funeral will be held at the family residence at Colorado Springs to-morrow morning, with only the immediate friends of the family in attendance.

The ashes will afterwards be taken to a receiving vault in Evergreen Cemetery, Colorado Springs, where they will remain until the fall, when arrangements will be made for the transfer to Hollywood Cemetery, Richmond. Arrangements are being made here for special memorial services to be held in St. Paul's Church at the hour of the funeral on Wednesday.

Mass-Meeting Here To-Day. A call has been issued by the officers of Richmond Chapter, United Daughters of the Confederacy, the Confederate Memorial Literary Society, and the Hollywood Memorial Association for a mass-meeting at Lee Camp Hall to-day at 11 o'clock of members of all the Confederate memorial organizations in the city, when arrangements will be made for the memorial service, and plans perfected for the removal of the remains to Richmond and the final interment in Hollywood. Resolutions of sympathy and respect will be drafted at the time.

A meeting of R. E. Lee Camp Confederate Veterans, will be called later to occur in any plans which the women's organizations may agree upon. Lieutenant-Governor J. Taylor Ellyson, of this city, president of the Confederate Memorial Institute, received yesterday a telegram from Jefferson Hayes Davis, oldest son of Mrs. Hayes, whose name was changed by the Legislature to that of his grandfather, Jefferson Davis, asking Mr. Ellyson to take part in the funeral arrangements for the funeral. Mr. Ellyson had sent a message of condolence and tender of his services in the event the interment is to be made in Richmond, as is the evident intention, and though owing to the weather and the anxiety of the members of the family to defer the trip East and the final interment until the fall, the Confederate Museum, at Twelfth and Clay Streets, has been draped in mourning.

Decorations and appropriate wreaths of flowers will be placed on the Jefferson Davis Monument and in the Davis Circle in Hollywood.

Veterans Pay Tribute. Official announcement of the death of Mrs. J. Addison Hayes, daughter of the late President Jefferson Davis, was made in a general order issued yesterday from the headquarters of that organization in New Orleans. The order, issued by command of General Clement Evans, commander-in-chief, follows:

"In the extreme sorrow, the general commanding makes official announcement of the death of the last member of the immediate household of Jefferson Davis, our beloved and only President. Mrs. J. Addison (Miss Taylor) Hayes, died at her home in Colorado Springs, late yesterday afternoon. 'Like her distinguished mother, Mrs. Hayes did not enjoy the best of health, and was on this account denied the pleasure of attending the reunions to the United Confederate Veterans to the same extent as her charming sister, 'Winnie.' Yet she was often able to be present at these annual gatherings, and the boys of the Confederate armies ever greeted her with that hearty affection that they felt for her immortalizing in manhood. Her death is a heavy loss to the winning in behavior, she won the affections of all who knew her intimately. She will long be remembered by all the members of this order."

In a letter written on June 3 to Mrs. William J. Behan, of New Orleans, Mrs. Hayes stated that she did not expect to be able to attend the annual meeting made public yesterday. It follows:

"I am a chronic invalid and a terrible sufferer, and therefore write very seldom and very little, but in answer to Miss Hodgson's kind letter, I must thank you for the noble and persistent efforts you made, and to you I feel is due the restoration of my father to his rightful place. My Lucy and Billie leave for the reunion at Memphis to-morrow, but I am too ill to even leave my home. I am too ill to hope you are well, and may God bless you, dear friend, and may God bless all of my beloved father's memory. I may never see you again in this life, but I will never forget all you have done for me, and best wishes to the members of the association."

Predicted Her Death. On June 3 to Mrs. William J. Behan, of New Orleans, Mrs. Hayes stated that she did not expect to be able to attend the annual meeting made public yesterday. It follows:

Police Orders to Move On Do Not Affect. Police Justice Crutchfield handed down a verbal opinion from the bench yesterday morning in which he held that a class of Richmond violators of city ordinance by merely standing on a corner, while awaiting a street car, was not a crime, and that the court should refuse to move on when ordered by a policeman at the corner of Twenty-ninth and P. Streets. The prisoner said he was waiting for a street car, and that when directed he did move sufficient to allow the street car to pass, but did not leave the corner. The Police Justice held that was within his rights and the prisoner was discharged.

JACK SALE, Shaking Hands With Himself.

NOT RESPONSIBLE FOR PAST CLAIMS BRUNSWICK STEW FOR POLICE FORCE

Decree Closing Street Railway Sale Does Not Affect Litigation Under the Receivers.

Judge Edmund Waddill, Jr., of the United States Circuit Court, entered a decree yesterday dismissing the receivers of the Virginia Passenger and Power Company and turning over the whole street car system of Richmond, Petersburg and Manchester to the Virginia Railway and Power Company. The decree does not affect litigation pending under the receivership, and is, in full, as follows:

"That William Northrup and Henry T. Wickham, receivers appointed in the constituent causes being heard together in this cause, be and they are hereby finally discharged as such receivers, and that the two bonds herebefore entered into by William Northrup, on the 15th day of July, 1904, as receiver in the cause of Bowling Green Trust Company, trustee, vs. Virginia Passenger and Power Company, as surety, and the other on the 5th day of August, 1904, as receiver in the cause of John A. Roebings Sons' Company vs. Virginia Passenger and Power Company, be and they are hereby cancelled from and after this date."

"That nothing in this decree contained is intended to affect, or shall be construed as affecting, the status of any pending or undetermined litigation, in which said receivers appear as parties. Such litigation may continue to determination in the name of the receivers, but for the use of the Virginia Railway and Power Company as their respective interests may appear. Such litigation may continue to determination in the name of the receivers, but for the use of the Virginia Railway and Power Company as their respective interests may appear. Such litigation may continue to determination in the name of the receivers, but for the use of the Virginia Railway and Power Company as their respective interests may appear."

At a meeting of the reorganization committee in New York last week, with Douglas Robinson as chairman, the property was formally delivered to the Gould interests. The decree is the last transaction in connection with the sale.

COUNSEL IS RETAINED

Henrico Court May Be Called in Special Session to Hear Hold-Up Case.

L. O. Wendenburg has been retained as counsel for Holt Eppes and Everett Baughan, who will be given a preliminary hearing in the Henrico magistrate's court at 10 o'clock to-day. The young men are alleged to have held up four persons at Lakeside last Tuesday night. It is predicted as both the young men have confessed, that a hearing will be waived and the case sent on to the grand jury. A special session of the Circuit Court may be called in order to hear the case, as two of the complainants are residents of Baltimore. The witnesses were bailed on their own recognizance.

One Hundred Gallons Being Prepared as Chief Food at Picnic To-Morrow.

Jack Sales' Brunswick stew will be put in the 100-gallon boiling pot at 6 o'clock to-morrow morning and at 12 o'clock the first arrival at the State Fair Grounds, where the annual picnic will be held, will be helped to the first plate. Then will begin the festivities, and from then on the great joy day will be celebrated until after sundown, or else until all the refreshments have been given out. Several thousand tickets have been sold, and indications are that the celebrations of the past two years will be far outclassed to-morrow.

Mayor Richardson and Chief Werner were invited, of course, but they will hardly be present, as the day is solely for the pleasure and pastime of the rank and file of the force and their hundreds of friends. It wouldn't be exactly right to tell beforehand that that is expected to happen, but the heavyweights and midges, the former captained by "Pop" Tate and the latter by "B" Werner, will play a game of Brunswick stew, in the afternoon, and the greasy pig will be another feature of the day.

Sergeant Sherry, chairman of the committee of arrangements, with several assistants, has been at work for the past two weeks, and except for the furnishing of tickets to those who have not purchased, have about completed their work. The Virginia Railway and Power Company has agreed to open its line to the Fair Grounds, and every gate around the enormous enclosure will be exactly right to tell beforehand that that is expected to happen, but the heavyweights and midges, the former captained by "Pop" Tate and the latter by "B" Werner, will play a game of Brunswick stew, in the afternoon, and the greasy pig will be another feature of the day.

Tours of duty have been so arranged that every member of the department will be given an opportunity of spending a few hours, at least, on the grounds. One or two of the officers were far-sighted enough to arrange their furloughs to fall during "picnic" week, and they will make a day of it. Some of the men have been detailed for duty at the grounds, and will look after the comfort of the guests. Others will be gatekeepers. The proceeds will be turned over to the Police Benevolent Association.

Delicious stew, will be served, and each ticket carries the guarantee that the bearer will not go home thirsty or hungry. Pink lemonade will be dispensed by the palloff, but if the "palloff" is not desired, the plain variety may be had. It is against the rules to spend a cent after getting in. One payment covers the entire cost. Several of the buildings will be opened, and in event of rain, there will be ample shelter.

Suits Instituted. Suit was instituted yesterday in the Law and Equity Court by John L. Griffith against the Chesapeake and Ohio Railway Company for \$1,000. The declaration has not been filed, and the grounds for the action has not been stated.

Suit was also instituted in this court by J. P. Turner against the Stimpson Computing Scale Company for \$1,500.

TUCKER AND MANN OUT ON THE STUMP

Will Fight Strenuously for Governorship Until the Last Day of Battle.

OTHER CANDIDATES ACTIVE

Contests for House and Committee Here, However, Create Little Interest.

With the State Democratic primary only two weeks off from Thursday, there are many evidences of renewed activity on the part of all candidates, though this seems to be especially true of Mr. Tucker and Judge Mann. They are both out in the State, and it looks as if they will not have many spare moments until the battle is over. Mr. Tucker, invited Governor Swanson's home county yesterday, having spoken at Chatham, in Pittsylvania. Most of the administration leaders in Pittsylvania are conceded to the Nettoway candidate, though the Tucker men claim a surprising vote for their favorite on the day of the primary. Mr. Tucker has engagements to speak in other sections of the State up to about July 27, when he will probably come here, and make two addresses on the same evening. He will then return to the rural districts, to spend the remainder of the campaign, going to Lexington to cast his vote on August 5.

Mann in the Valley. Judge Mann will spend the first three days of the week in the upper valley. He spoke at Harrisonburg yesterday and at Mt. Crawford last night. He will go to Timberville today, having an engagement to address the Confederate Veterans of Page county at Luray to-morrow.

Judge Mann expects to return to his headquarters in this city on Friday, though he will remain here for only one day, when he will go out into the country to speak each day until the contest is over.

All the other candidates for State offices are hard at work. Lieutenant-Governor Ellyson being the only one who has contented himself with writing letters, instead of going out on the stump to make speeches. The friends of Mr. Ellyson are thoroughly satisfied with the outlook for his nomination, though supporters of his competitor, Colonel Catton, are disposed to the effect that he has a good chance to win. There is an apparently pretty race on for the nomination for Attorney-General, both the candidates—Colonel Catlett and Judge Williams—being hard at work. Commissioner of Agriculture, Keller, and his opponent, J. Thompson Brown, are also displaying much activity.

Quiet in Richmond. The contest in Richmond is moving along quietly, without any semblance of excitement. Candidates running for the House of Delegates, and the City Democratic Committee seem to prefer a still-hunt in most of the wards, though there is some talk of holding rallies in an effort to defeat Commissioner Catlett, W. W. Saunders, and his supporters, on the other hand, are in good spirits over the outlook, expressing the unqualified belief that they will win with ease.

Not in the present decade has there been such a short canvass for the House of Delegates in Richmond, with no prospects of widespread interest. Usually the candidates spend about a month on the stump, while this time the entries closed less than three weeks ago, and the canvass for the voting. Another noticeable feature is that the candidates for the House are not standing on street corners soliciting the support of their fellow-citizens.

COUNCIL MUST ELECT

H. R. Pollard, Jr., Slated to Head Committee on Councilmen E. Harvie Spence, who died several weeks ago, on the Special Committee on Consolidation of the City of Richmond, will have to be filled by the election of the two branches of the Council, not by appointment of the president of the Council, as in the case of the other branches.

In order to fill the vacancy, according to the City Attorney, it will be necessary for the City Council to elect a new president, both as a matter of fact and as a matter of law. Another noticeable feature is that the candidates for the House are not standing on street corners soliciting the support of their fellow-citizens.

Report has it that Councilman E. H. Pollard, Jr., chairman of the Finance Committee, is slated for the position. Mr. Pollard is well qualified, as he was chairman of the Council for several years ago, when negotiations between Richmond and Manchester for consolidation were in progress. It was through his efforts that a union was not effected at that time.

ARRIVE AT BREMEN

Richmond Passengers Reached There Yesterday on Steamship Main.

S. H. Bowman received a cablegram from Bremen yesterday stating that the Main, a German liner, arrived at Bremen at 10 o'clock with the following passengers from Richmond: Charlotte E. Forsyth, Miss Sallie C. Deane, Mrs. LaFond Palmer Chablin, Miss Pauline W. Grant, Miss Caroline G. Holladay, Miss Clara E. Holladay, Miss Estelle F. Moore, Dr. D. A. Kuyk, Mrs. D. A. Kuyk, Emil Pohlig, J. H. Nolde, A. H. Nolde, Mrs. E. Spott, Willie Spott, Paul Reich, George Humdermark, Mrs. Selma Pirl, Mrs. H. J. Gruber, Mrs. Sabine A. E. Grauer, Mrs. Louise Schaaf, Miss Helen Schaaf, C. F. Sieg, Mrs. C. F. Sieg, Master Arthur Sieg.

Elect Delegates to Encampment. The regular quarterly meeting of Fitchburg Lee Camp, No. 8, Department of Virginia, United Spanish War Veterans, was held in the office of department commander, W. A. Smith, at the National Bank building yesterday afternoon. The date of the regular annual banquet was set for October 16 and a committee appointed to make the necessary arrangements.

Lieutenant E. B. Loving was elected to represent the camp at the national encampment, which will be held at Tacoma, Wash., September 8-9-10, when Virginia will be well represented. Each of the four camps is entitled to one delegate, and the Virginia Department at large will have two delegates.

Suspicious Characters. Allison Howell and John Miller, one white and the other colored, spent last night in the Detention Department under the general charge of being suspicious characters. The arrests were made by the Detective Department and the two men are suspected of having been involved in the crimes of which they are suspected, though it is probable that they are innocent. They were brought against each man in the Police Court this morning.
